THIS MONTH'S MEETINGS

The presentation planned for last month's meeting has been rescheduled for Thursday April 7, 7:30pm, in the Oak Hills Stake Center - North Chapel - on 9th East in Provo across from Deseret Towers. Dr. Ralph Woodward has planned an excellent discussion-workshop on appropriate music for church worship. The reason for this rescheduling is lack of attendance at the last meeting - Dr. Woodward did not wish to give his presentation to only four people, especially since participation by the group would be essential to the success of the evening, and because he feels this topic is so important that he would like as many people as possible to hear and benefit from this evening.

Since Dr. Woodward has been so gracious as to be willing to spend another evening out of his very busy schedule to try again, we urge you to please support the chapter by your attendance, and to invite every one you know who holds or participates in church music positions, especially music chairmen, choir directors and organists.

The second event to be held this month is the annual chapter recital. Please note the change in date - FRIDAY, APRIL 15TH - at 7:30pm in the Provo Central Stake Center, 500 North and 1200 West, Provo. Please support your colleagues both with participation and attendance.
