**Dean's Message**

Greetings from the Utah Valley Chapter! I hope you are having a wonderful summer. Plans are being made for the coming 1988-89 year. Needless to say, I look forward to another successful year and my association with you.

Since May, changes have been made in the officers. We would like to extend a special thanks to Deborah Ann Allen and Gayle Farnsworth for all their help last year. Our new secretary is Carol Dean, and Val Weight is registrar. With the continued growth of the Chapter, we have added some new committees to help with the necessary responsibilities.

A good year is on the horizon. At the opening social at Jo Oaks cabin, August 25th, we'll talk briefly of this year's plans, have a barbecue and homemade ice cream from the Oak's frozen yogurt machine, and renew friendships and make new ones.

When the Deans of Utah met in Salt Lake a few weeks ago, it was said that the AGO is the best kept secret around. Let's take it upon ourselves to break this barrier by letting our friends, neighbors, and acquaintances know about this organization. The opening social will be a good opportunity to invite potential new members. We encourage you to bring your spouses and musician friends. We will have plenty of room and plenty of food.

We look forward to seeing you this coming year.

Scott Mills
