DEAN'S MESSAGE

It's time to begin a new season of AGO activities. We hope that everyone will find something of interest in our plans for the year ahead. We appreciate the effort you put forth to fill out the survey on the back of your dues notice. Many of you also added some fine suggestions. We have been looking at these carefully.

The big event of the year will be our Chapter contribution to the world's largest organ recital on Sunday, April 14, 1996, the Centennial of the AGO. While we are formulating our plans for this gala concert, we hope you are making your own plans to not only attend, but bring family and friends as well as to help us celebrate.

And speaking of the AGO Centennial, I am planning already to attend the National Convention in New York City on July of 1996. Now is the time for you to start planning ahead, saving your money, etc. It would be nice to see a contingent from our Chapter at that great meeting. If you've never attended a national or regional convention, you have missed something very special that can't be duplicated in any way. This year's Region IX convention was held in Scottsdale, AZ. Our Chapter was represented by Lori Serr, Ruth Ann Hay, your Dean, Michael Bigelow, and David Chamberlin. In succeeding newsletters you will be able to read a report from each of us about the convention.

Hope to see you all at our first meeting on September 19th!

SEPTEMBER CHAPTER MEETING

A couple of years ago, our opening social was held at Robin Cardon's chalet in Midway. It was a beautiful setting to start that year's activities, and those of us who attended had a wonderful evening. Since many of you weren't able to come then, we decided to ask Robin if she would allow us to have our opening social there again on September 19th at 7:00 p.m. She said that as long as some of you played her organ, she would be agreeable. Be looking for something brief you would like to play, so Robin's organ will be put to use.

Also, we thought it would be fun to share favorite/humorous organ stories with each other. Be thinking of an incident you would like to tell us about.

Since the dinner will be pot luck, Joan Barnett has divided up the AGO roster to have those with last names A to M bring a casserole or main dish (serving approx. 16 people), the rest (N to Z) bring a salad or vegetable plate, and the students bring a dessert. The drinks, plates, and utensils will be furnished by AGO.

Be sure to invite your spouse or partner, and RSVP Lella (489-4655) as soon as possible, so we can get a count of how many will be coming.

See the back of the newsletter for the map to Robin's place (1429 Switzer Drive, Midway, UT).

For those of you living in the north end of the valley, contact Lee Clark at 224-1591 to coordinate a meeting place for car pooling. For those living in the southern part of the county, meet at the Provo Central Stake Center north parking lot, 450 N. 1200 W. at 6:00 p.m., to decide who wants to drive.

ATTENTION, BOARD MEMBERS! On September 12th at 7:30 p.m., there will be an officers' meeting at Lella's. Be sure to let her know if you cannot come.

RECITAL

On Sunday, September 10th, at 8:00 p.m., Salt Lake Tabernacle organist Richard Elliott will conclude "The Eccles Organ Festival" with a recital at the Cathedral of the Madeleine.
